3A Introduction to Discrete Event Simulation
Trainer :   Dan Chalk

From	To	Format	Name of Activity	Link (if applicable)
0930	1010	Live Lecture	Principles of Discrete Event Simulation	
1010	1015	Comfort Break		
1015	1130	Group Exercise	Exercise 1 – Designing a Discrete Event Simulation	
1130	1145	Group Discussion	Sharing Exercise 1 Solutions	
1145	1230	Live Lecture	Generator Functions and a Simple SimPy Example
